Hello SIG PLC

SIG Assured, giving you control and peace of mind

Supplier Compliance Information

- This tab allows supplier compliance information to be obtained by product code
- Select the relevant supplier of interest by using the search function or navigating using the alpha index – Ancon has been used for the example of these process notes

You are here: [Home](#) > [Suppliers](#)

Suppliers

Supplier Name:

A

Ancon[®]
BUILDING PRODUCTS

ANCON BUILDING PRODUCTS

All passed

Last updated: 19/02/2015

Supplier Compliance Information (continued)

- By clicking on the Ancon 'record' you'll be linked to the following page, which indicates which of the 5 areas of compliance (CE / MSDS / REACH / EUTR and Explosive Precursors) the supplier has obtained 'Assured' status in

You are here: [Home](#) > [Suppliers](#) > ANCON BUILDING PRODUCTS

ANCON BUILDING PRODUCTS

Compliance

Conformité Européenne

Safety Data Sheets

Material Safety Data Sheets

Registration, Evaluation,
Authorisation and Restriction of
Chemicals

European Timber Regulations

Explosive Precursors

Select a compliance area (by clicking on the icon of concern) to link to the Track Record Global Portal

Supplier Compliance Information (continued)

- You should be redirected to the following page – which allows you to search by SIG product code using the search box (click the magnifying glass to complete search)
- Alternatively you can select the ‘view’ option to the left of the table as the full supplier product list will appear

> SIG Plc Search Results for: ANCON LIMITED (238454)
